**Subject:** Protest Docket No. 2009-489-E

I want to go on record as protesting SCE&G's proposed 9.5 percent rate hike. The company just began phasing in a 10-year rate increase last year to pay for a new nuclear plant. I do not understand how SCE&G can be so insensitive to the plight of residential and small business customers who continue to be among the most hard-hit in the nation by the ongoing recession. I strenuously object to the proposed increase.

Sincerely,  
Roxanne W. Cheney
